Rubber Foot Pads

The G243 dumbbell rack is the best for keeping your dumbbells organized with little space needs. This rack fits the set of 5-100lb Rubber Hex. The dumbbell rack allows you to safely store your dumbbells in the comfort of your home. You get easy accessibility and reliability of your dumbbells with this extraordinary rack. The BodyKore dumbbell rack helps you safely focus on your hardest dumbbell workouts.

The commercial oval-tubed frame and three-tier rack is extremely durable and built to last. The outstanding features include rubber footpads, protective powder coat, and

an angled design. These aspects protect the floor, ensure maximum durability, and are fitted to move the dumbbells with ease. This rack functions perfectly and looks striking with BodyKore's signature black or silver shade. Start your home fitness journey with the G243 dumbbell rack. This rack is commercial grade and rated to hold over 1000lbs. This rack is commercial grade and rated to hold over 1000lbs
